

BAROQUE CHAMBER ORCHESTRA of Colorado

Performance dates in April and May 2020 are canceled.
This includes Vivaldi's Four Seasons, May 14-17, 2020.

As you can imagine, postponing or canceling performances after expenses have been incurred will have a significant impact. We hope that you might consider re-directing the cost of your ticket into a donation to the organization to help us recuperate costs.

Here are your options:

For single ticket holders:

1. Hold on to your ticket, we will honor it at a future performance, no need to do anything more.
2. To turn your ticket into a donation, email "donate my ticket" to susan@bcocolorado.org
3. If you prefer a refund we certainly understand. Email "refund" to tickets@bcocolorado.org

For season subscribers:

Whatever unused tickets you have, please save those to use for a rescheduled Four Seasons or a future Masterworks concert next season*.

If you have questions please contact us.

* Exceptions may apply at one or two venues next season.
